Detective Shot by Negro in Lynchburg—Court of Appeals Clerk Has Narrow Escape when Bullet Fired

Is a marriage contract by persons of opposite races in one State, which permits such a condition, legal in Virginia, whose laws declare such a law illegal? This question was raised in the Richmond police court yesterday, when Fred Grant, white, and Carrie Fife, colored, were arraigned before the bar of justice, charged with a statutory offense. In court they produced what appeared to be a bonafide marriage certificate, showing that they "were united in the holy bonds of matrimony" in Portland, Me. Grant was fined $60 and costs by Justice Crutchfield, after he had carefully looked up the law. Grant appealed the decision. If the appeal goes to the Supreme Court it will be necessary for that tribunal to decide whether or not one State shall annul laws of another.

The Staunton Lighting Company must provide electric light, temporarily at least in the home of Mrs. Edna V. Wright, of Staunton, under a writ of mandamus granted in Corporation Court Wednesday. Following a dispute over an old account the company cut off the current and left the young woman and her two children in darkness. The lighting company claims it acted within its rights, one of the rules under which it operates providing that it need not furnish current where an old account has not been paid. The case is a peculiar one in that Mrs. Wright recently was divorced from her husband, who as long as he lived in the same house with her had paid the lighting bills. Since leaving there he refused to pay. When the collector saw the wife she agreed to pay the March account but would not pay back to December.

Search is being made for the person who fired a bullet into the rooms of the Virginia supreme court of appeals in Richmond yesterday while the judges of that tribunal were on the bench. Clerk H. Stewart Jones was among those who narrowly escaped being hurt. Glass was scattered in all directions. Another bullet was fired into the office of Secretary of the Commonwealth B. O. James a day or so ago.

Police Detectives L. A. Mann and Ernest Wheeler, of Lynchburg were shot, the former probably fatally last night by a negro known to the police as "Slim," who escaped. The detectives accosted the negro on the street in the heart of the business section of the city and told him he had been reported for carrying concealed weapons. After a few words the negro whipped out his gun and fired four or five shots one shot taking effect in Mann's head and another in Wheeler's neck

Bears from the Blue Ridge and Masanutten Mountains have been raiding the populated sections of Page county in search of food spreading a reign of terror among women, who refuse to let their children go outdoors. A huge bear Wednesday night appeared at the home of Kirby O. Heiston, who operates a planing mill at the edge of town. He threaded his way through a network of wire fence and stopped at the kitchen window. An air rifle was the only weapon in the house. Heiston fired at the animal, which became enraged and rushed at his assailant. Heiston escaped behind a closed door and bruin went away. The home of Oscar Black, near Luray, recently was visited by another bear.

Governor Davis has signed the bill appropriating $3.000 for the relief of the family of J. C. Shelhorse, prohibition agent, killed by an alleged bootlegger on a train at Alexandria. This is the amount his dependents would have received had the workmen's compensation act been in operation at the time of his death.

FIND DOCTOR SLAIN

Brooklyn Police Believe Physician Trapped, Strangled Would be Robber.

New York, March 26.—The bodies of Dr. Vincent J. Campisi, wealthy physician and a "patient" to whose bedside he was hastily summoned, were found last night in a tenement house in Brooklyn—the physician stabbed and the "patient" strangled.

The police advanced the theory that the physician was lured into the tenement for the purpose of robbery, and that he strangled the "patient" while fighting off his assailants and then was stabbed by the man who lured him into the trap.

The murderer apparently lost his nerve the police believe, and failed to carry out the robbery, for a large sum of money and a gold watch were found on the physician's body.

Frank Ambrose, a roomer in the house, told the police he saw Dr. Campisi enter the house with another man, who seemd to be greatly agitated. Shortly after the physician arrived, Ambrose said, he heard the noise of breaking glass. A few minutes later the man who accompanied the physician ran from the place. Ambrose called a policeman, and investigation revealed the bodies.

Mrs. Dorothy Parker, who conducts the rooming house, said the strangled man rented the room a week ago without giving his name, and she had not seen him in that time. Nor had she seen, she said, the other man described to her, as the one who brought the physician.

Dr. Campisi was 35 years old and married. His brother, Samuel Campisi, said his brother had no enemies to his knowledge.

SHIP GUNS TO IRISH

Search of Vessels Ordered After Cargo of Arms is Discovered

London, March 26.—The British government has issued orders that all ships plying between Germany and the United Kingdom be thoroughly searched, as a result of the discovery of arms, destined for Ireland, in a vessel from a German port.

British secret service agents are working on the theory that a huge gun running plot is afoot, preliminary to a great uprising in Ireland, presumably, Easter, that being the anniversary of the abortive 1916 revolt.

The story is being semi-officially spread that the alleged plot is financed from New York with the aid of money realized from President de Valera's Irish Republic bonds.

Cork, March 26.—Sinn Feiners attacked and captured the police station at Gortatlea, 60 miles west and north of Cork, last night, according to messages here yesterday.

Three policemen were wounded. The barracks were dynamited and burned.

SLAY 17,000 ARMENIANS

Archbishop Kholn, in London for Interest of Near East, Reports Wholesale Slaughter

London, March 26.—Tartars recently massacred 17,000 Armenians within the boundaries of the new Armenian state at the instigation of the Young Turks in the Azerbaijan government, according to Archbishop Kholn, an Armenian, who has arrived in London to confer on behalf of the Armenian republic with allied authorities regarding the situation in Armenia.

Three thousand persons were being herded in Tartar villages, and portions of the Armenian frontier are being held by the Tartans, according to the archbishop.

SEARCH FOR SLAYER

Posse of Armed Miners Scours Woods in Hunt for Killer of Eleven-Year-Old Girl.

Steubenville, Ohio, March 26.—A posse of armed miners searched the woods near Adena, Jefferson County, Ohio, for the slayer of 11-year-old Frances South, daughter of a miner, whose murdered body was discovered last night by her father about a mile and a half outside of Adena.

The girl left her home about noon to go to a drug store for medicine for her sick mother. When she failed to return a search was instituted.

The child had been strangled.

SUSTAINED BY THE COURT OF APPEALS

Refuses Hearing in the Case of David Crockett

INFRACTION DRY LAW

Accused will Pay One Thousand Dollars Fine and Serve Six Months in Jail

The Supreme Court of Appeals yesterday refused to grant an appeal in the case of David Crockett, convicted in the Corporation Court of Alexandria several weeks ago of selling whisky in violation of the prohibition law. The prosecution was conducted by Howard W. Smith, Commonwealth's Attorney. Messrs. Edmund Burke, Chas. Henry Smith and Carl Budwesky appeared for the defense.

The main points in the case may be summed up as follows: The premises of Walter Smith, colored, in the northwestern section of the city, had been searched by the police on a search warrant, it being believed an unlawful quantity of liquor was secreted on the premises. Their investigation was not in vain, six quarts of whisky having been found in the woodshed attached to Smith's house. The officers had reason to believe that Smith obtained his supplies from Crockett, it being alleged that the latter's automobile had been seen in that vicinity shortly before the officers arrived on the scene. Smith was arrested and bailed for his appearance before the grand jury of the Corporation Court. He later confessed to the authorities that he obtained the liquor from Crockett, paying him $50 for the six quarts. Another colored man, named William Bailey, also acknowledged that he had during the previous two months purchased six quarts of whisky from Crockett, for which he paid $40. Bailey also made an affidavit to that effect. A third witness named Holmes, also testified to having purchased six quarts of whisky from Crockett at another time.

An attempt was made by Crockett to establish an alibi, he alleging he was not in the vicinity of Smith's house on the night he was alleged to have delivered the whisky. Several witnesses, however, appeared in rebuttal.

The jury in the Corporation Court brought in a verdict of guilty on the charge of selling to Smith and Holmes and not guilty on the charge of selling to Bailey and fixed the fine at $1,000, with six months confinement in jail.

It is understood that the counsel for Crockett are considering the advisability of applying to the United States Supreme Court for a writ of habeas corpus.

SHOOTS SISTER

Kansas Man Makes Unique Plea in Confessing to Charge of Murder

Lyons, Kans., March 26.—At a coroner's inquest, W. B. Bast confessed that he shot his sister, Mrs George Regan, killed at the breakfast table at her home here yesterday, "to rid her four daughetrs of her influence."

Bast stated his four nieces were being abused by their mother and said they were not being properly reared. He said he bought the revolver several days ago for the purpose of taking his sister's life.

Bast was arrested at the home of a neighbor, where he was found covered up in bed with his clothing and shoes on and the revolver in his pocket. He is being held without bail, and will be charged with first degree murder.

"GETHSEMANE TO GOLGOTHA."

Will be Given Tuesday Night by Choir of St. Paul's Church

Next Tuesday evening, March 30, at 8 o'clock, the choir of St. Paul's Church will sing the Cantata "Gethsemane to Golgotha," composed by Edmund Turner, the libretto being written and selected by Yorke Chester.

The three scenes into which this Cantata is divided were suggested by a hymn of James Montgomery, the three verses of which, viz:—"Go to dark Gethsemane," "Follow to the Judgment Hall," and "Calvary's mournful mountain climb," are sung respectively at the commencement of the three parts, in the form of a choral. The librettist has attempted to present the Great Tragedy in a rather dramatic form, as an alternative to the contemplative view exemplified in many Lenten cantatas.

The soloists will be Mrs. Harrie White, soprano, singing the part of "Mary," and "A voice in the crowd," Mrs. William Nes, soprano, the part of "An Angel," Mr. Kenneth Ogden, tenor, the part of "Peter," "Pilate," and "The Beloved Disciple;" Mr. Wilmer Waller, bass, the part of "Jesus," and Mr. J. Harris Franklin, bass, the part of "Judas," with a chorus of 40 voices. The production will be under the direction of the organist and director of the choir, Mr. Sherman B. Fowler.

The annual silver offering for the choir fund will be taken at this service. After paying incidental expenses, the balance will be donated to a fund which is being raised to place a set of chimes in the organ as a memorial to the deceased members of the choir.

A cordial invitation is extended to all to attend this service.

50 UNIONS TO JOIN STRIKE

Threaten General Tie-Up in Wheeling In Sympathy With Teamsters

Wheeling, W. Va., March 26.—Wheeling is threatened with the most serious strike in its history, announcement having been made yesterday by labor leaders representing 30 labor unions, that unless a settlement is reached in the teamsters strike at a meeting to be held Friday night, every trade unionist will be called out. The teamsters have been on strike for three weeks, only drivers and chauffeurs of coal wagons and trucks working. All other lines of industry have suffered considerably as a result of the tie-up especially in the handling of freight from the local railroad depots.

Labor unions have voted almost to a man, it is said, to declare a general strike in support of the teamsters and have instructed their representatives to stand firm. The vote came as a result of the refusal of employers of teamsters and truck drivers to negotiate with them as a body.

As a last resort and awaiting final efforts to bring about settlement, a final conference will be held tonight and union leaders say the strike will be ordered immediately, tying up all industries. Eight coal miners unions are affected.

A meeting was held yesterday afternoon, in the club room of the Chamber of Commerce, of the committee in charge of securing talent for the American Legion play to be presented in the Opera House April 22 and 23.

Preliminary arrangements were made and a list compiled of names of those who will be asked to take part. A meeting will be held soon when all those willing to assist will be earnesty requested to be present, so the committee will be sure of a sufficient number for the cast to be selected when the director from the John B. Rogers' Producing Company arrives the first of April to begin rehearsals.

WESEL FALLS INTO HANDS OF WORKERS

Gustav Bauer Chosen to Head New German Cabinet

"REDS" GIVE UP ARMS

German Government Reaches Agreement With Ruhr Valley Strikers Big Guns Used.

London, March 26.—It is reported that Wesel, 32 miles northwest of Dusseldorf, where the Government forces have been besieged by revolutionary workingmen, has been captured by the workers.

A dispatch to the London Times from Rotterdam, dated March 24 quotes the Nieuwe Rotterdamsche Courant's Munster correspondent as saying the armistice was not being fulfilled by the reds.

The town of Wesel, says the dispatch was bombarded throughout the whole day by a 9 inch gun and the Red Army resumed its advance on the right wing, crossing the Lippe, which, under the armistice, was to be the dividing line for the two armies.

This report, says the London Times' correspondent, agrees with the statement of Underburgomaster Hagen, who returned today from the Socialist conference at Dertmund. He said hope of a peaceful settlement had been excluded, as the workers refused to enter into negotiations with any military authorities.

Berlin, March 26.—The new German Cabinet, reconstructed as the result of Wednesday's negotiations, will be headed by Gustav Bauer, the present Premier, it is reported.

Yesterday, newspapers report that the Prussian Cabinet has resigned. It is expected, they add, that Gustave Noske, who has resigned as Minister of Defense in the national Cabinet, will be offered a post in the new Prussian Cabinet.

The Tageblatt, denies on the authority of the Crancellery, that a warrant has been issued for the arrest of General Ludendorff, as was recently reported.

Buderich, Rhenish Prussia, March 26.—Peace between the two forces contending for Wesel has not been declared. The correspondent was informed to this effect at 9 o'clock yesterday morning over the telephone by the headquarters of General Habitsch, the commander at Wesel, across the Rhine from this town.

It was declared at headquarters there could be no question of a cessation of hostilities through the surrender of the Reichswehr forces.

Gotha, Saxe-Coburg Gotha, March 26.—The Red Guards, who have been dominant here, have capitulated, and Reichswehr troops have occupied the public squares. The Reds at Ohrdurf, to the south of this city also have surrendered.

Paris, March 26.—The German Government has reached a definite agreement with the workmen in the Ruhr Valley where the general strike has been paralyzing industry, and where hostilities between soldiers and workers have been in progress for several days past according to news reaching French semi-official circles.

RENT PIRATES HELD UP FOR SHARE OF SPOILS

New York, March 26.—Stewart Browne, head of a real estate organization here, today told a story of rent-profiteering in a new form.

A bank president and a "captain of industry" recently sublet their apartments on Park avenue. Each was paying $15,000 a year, but the bank president got $30,000 for his apartment and the "captain of industry" $25,000. The landlord heard of this and demanded 50 per cent of their profits. They refused, but on his threat to make the story public and give their names to the newspapers, both men according to Mr. Browne, gave up the 50 per cent.

"CORNERING" ANCIENT

During the time of Cromwell, by unjust dealing and monopoly, a great scarcity having taken place in a plentiful year, Oliver knowing there was a great plenty of grain in the country, offered a premium of one thousand pounds to him who should bring the greatest quantity of grain to market on a certain day; upon which immense quantities were produced; but one man above all the rest produced far the greater quantity. Cromwell immediately ordered him to be paid the reward; and, producing a rope, told him he would give him an halter in the bargain, and ordered the monopolizer to be hanged.

RING ONCE BARRED

The Puritans of the seventeenth century used no ring at the wedding ceremony, as they considered it "a pagan symbol and superstitious contrivance." All that they required was that the man and woman should join hands when stating their purpose to live together in wedlock.

Catarrh is a Real Enemy and Requires Vigorous Treatment

Do Not Neglect It.

When you use sprays, atomizers and douches for your Catarrh, you may succeed in unstopping the choked-up air passages for the time being, but this annoying condition returns, and you have to do the same thing over and over again.

Catarrh has never yet been cured by these local applications. Have you ever experienced any real benefit from such treatment?

Throw these makeshift remedies to the winds, and get on the right treatment. Get a bottle of S. S. S., and begin a treatment that has been praised by sufferers for half a century.

S. S. S. gets right at the source of Catarrh, and forces from the blood the germs which cause the disease. Special medical advice regarding your own case free. Address Medical Director, 106 Swift Laboratory, Atlanta, Ga.

V-C Plant Food applied to your vegetable garden will mean big yields from little space—makes vines produce more heavily—insures a supply of fresh vegetables for home use and for canning.

Flowers Shrubs Lawns Gardens Are Helped By V-C Plant Food

Like human beings, plants need food—three kinds of it. First, Nitrogen to give a start and quick growth of good, green foliage. Then, Phosphoric Acid and Potash with which the plants build their stems and blossoms.

V-C Plant Food supplies all three kinds in the right proportions Use it and thus give your shrubs rich green color, evidence of an even healthy growth—flower beds become more gorgeous and colorful—plants in pots and window boxes bloom better—the vegetable garden yields surprise you.

It is not necessary to have a rich soil to start with. V-C Plant Food is richer than any soil Nature ever created. It is just like putting the richest earth on top of your garden and on the soil around your flowers.

The Nitrogen in a 25-lb. bag equals in producing power the Nitrogen in 1,500 pounds of manure. V-C Plant Food is many times richer in Phosphoric Acid and many times richer in Potash.

V-C Plant Food comes in handy packages—easy to handle—sanitary—easy to apply.

New Plant Food must be added each year, last year's flowers used up a large part of the fertility. Spading up the earth with a trowel, pulverizing it, mixing V-C Plant Food in thoroughly and then packing firmly, will make the kind of soil which flowers like.
